

COUNCIL 4 AFSCME GREATER MANCHESTER REGIONAL MEETING

Saturday, May 16th

10am-noon

AFSCME Local 991 Office
8 Birch St, Manchester

Council 4 AFSCME represents 32,000 public service employees in Connecticut. We work for the state, cities and towns, Boards of Education, Housing Authorities and non-profit organizations. When we come together we have P.O.W.E.R.

That's why we are holding a series of special regional events for AFSCME members who live in our neighborhoods and work in worksites to meet each other.

Everyday there are attacks on our pay and benefits, whether they happen at the state capitol or through budget cuts on the local level, we need to stand up together and fight back.

Please let us know if you plan to attend, by contacting
Megan Batchelder at 860-224-4000 or info@council4.org.
