State lawmakers want to attack our collective bargaining rights.

They want to prohibit state and municipal employees from bargaining for pension and health benefits.

They want to strip overtime from state and municipal pensions.

And they want to dramatically increase state and municipal employee pension contributions.

The legislative session ends Wednesday, June 7 at midnight.

Please call your legislators immediately. Tell them to stop the attacks on public employees and to support a fair budget with real revenue solutions.

You can learn more about this issue at www.council4.org and you can also call us at (860) 224-4000 if you have questions.

Thank you for taking action.
